Sub: Display of sessional marks

Sir/Madam,

Examination branch receives a lot of requests from the students directly/ through RTI for showing the sessional marks as it was not shown to them by the concerned teachers. It is not possible for the confidential section (result section) of the examination branch to entertain such queries as it is becoming difficult to maintain secrecy. Moreover, it is mandatory for the teachers/ examiner to show the mid-semester answer sheets & sessional marks to all the students.

It is therefore, requested to ensure that all the mid-sem answer sheets and sessional marks are shown/displayed by the concerned teachers before the end of the teaching session.
